Graduation			May 2011

*Action Research I and II are independent study courses. The graduate candidates will be responsible for contacting the professor for contact hours to assist in the development of their action research projects and satisfactorily complete the course requirements by the end of each term.

**Action Research III is an independent study course to assist the graduate candidates in completing and presenting their action research projects. To successfully pass this course, the graduate candidates will have completed writing of the action research project, presented the project to a committee of graduate faculty and peers, and submitted the final written form of the action research project. Course schedule subject to change.
