

Criteria and related accreditation documents (Condition 6, Public Information).

NAAB publishes all VTRs after accreditation decisions are made at www.naab.org. The accreditation decisions for a given year are published in the NAAB's *Annual Report on Architecture Education*. In addition, they are made available to the collateral organizations and the public.

Within 30 days of a decision to revoke accreditation not subject to reconsideration, NAAB will notify the collateral organizations, the appropriate regional accrediting agency, and the licensing board for the jurisdiction in which the institution is located and otherwise make the decision public.

Plan to Correct

A Plan to Correct is required in cases when the NAAB board determines that the program is not in compliance with one or more of the Conditions for Accreditation, either at the time continuing accreditation is granted or as a result of a Special Report review. Programs with a Plan to Correct will have two years to demonstrate compliance with Conditions for Accreditation noted to be out of compliance. Programs submitting a Plan to Correct will be required to provide a narrative response with supporting documentation and evidence of compliance for each Condition noted to be out of compliance.

Plan to Correct Submission. Programs determined to be out of compliance with one or more Conditions for Accreditation identified at the spring board meeting will be required to submit a Plan to Correct on or before December 15 of the same year. Programs determined to be out of compliance with one or more Conditions for Accreditation identified at the fall board meeting will be required to submit a Plan to Correct on or before June 30 of the following year. Programs that fail to submit a Plan to Correct by the deadline will be placed on Administrative Probation, after notice.

Review of Process. All Plan to Correct materials will be reviewed by the Accreditation Review Committee (ARC), whose recommendations will be acted upon by the Board of Directors. A primary and secondary reviewer from the ARC will be assigned to review all Plan to Correct materials. The reviewers will note Conditions where the program provided sufficient evidence to demonstrate compliance and Conditions where the program continues to remain in non-compliance.

The ARC reviewers will make one of the following recommendations to be acted upon by the board:

- In the event a program has demonstrated compliance with all the Conditions for Accreditation previously noted to be out of compliance, accept the Plan to Correct and approve the program for the remainder of the term of accreditation.
- In the event a program has not demonstrated compliance with the Conditions for Accreditation previously noted to be out of compliance, defer action and require a revised Plan to Correct to address all remaining areas of non-compliance. (Submission timelines are December 15 and June 30.)
- In the event a program's Plan to Correct does not demonstrate compliance with Conditions for Accreditation within two years, continue the Plan to Correct, place the program on notice for a period not to exceed one (1) year, and inform the institution's Chief Academic Officer.
- In the event a program's Plan to Correct does not demonstrate compliance with Conditions for Accreditation within one (1) year of notice, place the program on probation for a period not to exceed one (1) year, require a focused visit on remaining areas of noncompliance within six months, and inform the institution's Chief Academic Officer. All accreditation decisions to place a program on probation will be made public on the NAAB website.

Decisions by the NAAB board regarding the program's Plan to Correct are not subject to reconsideration or appeal.
